Alternative Underwriting Programs

This is a general guideline of our carriers' programs. Carriers can change their criteria at any time so please confirm with GPAgency prior to utilizing this information.

In addition to traditional underwriting, most of our carriers also have alternative underwriting programs, which offer the potential to waive labs and medical exams: 1) **Accelerated** 2) **Non-Med** 3) **Simplified** (categories are color-coded above carrier names). Note: Not all clients will qualify for this type of underwriting and may be re-routed to traditional underwriting. **Guaranteed Issue is listed at the end of this document.** "NY" means available in NY.

For eApp and drop ticket access, visit our website: <http://www.gpagency.com> (Producer Portal > New Business); for paper apps, click on the **Forms** tab on our website and select *New Business* in the drop-down form.
