Employers & Associations

Let us be your "go to" for group insurance.

As one of the largest insurance brokerages in the country, we offer one of the most comprehensive programs for insurer choice, program design, and full implementation support.

Why Choose Us?

GPAgency is a national insurance brokerage firm that partners with independent financial professionals to deliver comprehensive, sustainable insurance solutions for your employees or members.

Founded in 1968, GPAgency has assembled a top-notch team of seasoned professionals and an impressive portfolio of insurance companies: John Hancock, Lincoln, MassMutual, Mutual of Omaha, Nationwide, New York Life, Transamerica, just to name a few.

Choice

We have 50+ premier partnerships with the nation's top-rated insurance companies, giving us the flexibility to meet our clients' needs.

Confidence

Each plan design specialist is not only a licensed agent but, on average, boasts 25 years of relevant insurance experience.

Support

Count on the full support of our service team. They will ensure that your plan implementation goes smoothly and assist with employee (member) education, if needed.
